

THE KAIGAN FOUNDATION
 helping families fight kidney disease

The KAIGAN Foundation will be holding our **9th Annual KAIGAN Fest 2024 & Cornhole Tournament on Saturday, August 10th from 1pm to 9pm at Correale Grove located at 250 Deep Hole Road, Drums PA 18222.** This family friendly event is open to the public and will host area bands and food/drink vendors, along with tricky trays, raffles, children's activities and games, adult games, tournaments and more!

The KAIGAN Foundation is a nonprofit organization based in Drums PA dedicated to providing awareness, research, and support for juvenile kidney patients. The KAIGAN Foundation was established in 2016 after our son Kellen Jumper Warner was diagnosed with a rare and incurable kidney disease called "IGA Nephropathy with Crescents."

Your support will help The KAIGAN Foundation reach our mission to raise awareness, alleviate costs for juvenile dialysis and kidney transplant patients, and to fund research clinics in order to promote early detection and find a cure for kidney disease. Your donations and support also help to fund patient medical equipment needs, gaming stations for kidney transplant recovery clinics and iPads for dialysis clinics, along with KAIGAN Houses, Camps and Support Groups and programs to include our Blanket of HOPE Program, Holiday Gift Program, Ambassador Program and Adult Kidney Outreach Program.

As one of our main fundraising events, we are reaching out to local businesses and supporters for sponsorships. Every dollar raised at KAIGAN Fest goes directly to our Foundation's mission stated above. We need your help to continue making this event a success - we cannot do it without you!
