The KAIGAN Foundation is a nonprofit foundation based in Drums, PA dedicated to providing awareness, research and support for juvenile kidney patients. The KAIGAN Foundation was founded in 2016 after our son Kellen Jumper Warner was diagnosed with a rare and incurable kidney disease called "IGA Nephropathy with Crescents". The KAIGAN Foundation's mission is to promote early detection and to find a cure, IPADS for dialysis clinics, Blankets of HOPE, KAIGAN Houses, Camps, and Support Groups, and to alleviate costs for juvenile dialysis and kidney disease patients. The KAIGAN Foundation is determined to make a difference so that another young child does not have to endure the fear, pain, and medical treatments that will forever change his/hers life.
